

TASKS FOR PROFESSIONAL ENGLISH (B2-C1)

1. DEVELOP A COMPANY PROFILE: YOUR INNOVATIVE TECH STARTUP

Objective:

Craft a sophisticated, professional one-page company profile for an original technology startup using advanced English.

Instructions:

1ST - Invent a compelling company name and design a professional logo.

Creating your logo, consider and answer the following questions:

- What message do you want your logo to communicate?
- What colors and shapes best represent your brand?
- How can the logo be simple yet memorable?
- What is the mission and vision of your company?
- What are the core values that define your business?
What personality does your brand convey (serious, fun, innovative, traditional, luxurious, accessible)?
- What emotions or thoughts should people have when they see your logo?
- What differentiates your brand from the competition?

3RD - Select a strategic location (city, country) and justify your choice.

4TH - Write a detailed company description (What is your vision? What solutions do you provide?).

Outline 2-3 key services or flagship products.

5TH - Create a memorable and persuasive slogan.

6TH - Add professional-looking contact information (website, email, phone number).

- Use clear, formal, and convincing language with an emphasis on precision and fluency.
- Present your profile professionally in Word, Canva, or PowerPoint and submit it as a PDF.

Grammar Focus:

- Present Simple and Present Perfect

- Modal verbs

- Passive voice and impersonal structures

- **Company profile structure**

Company Name

Location

Vision and Description

Main Services or Flagship Products:

Slogan

Contact Information:

-Website:

- Email:

- Phone:

Answers to Logo and Brand Identity Questions:

- What message do you want your logo to communicate?

- What colors and shapes best represent your brand?

- How can the logo be simple yet memorable?

- What is the mission and vision of your company?

- What are the core values that define your business?

- What personality does your brand convey (serious, fun, innovative, traditional, luxurious, accessible)?

- What emotions or thoughts should people have when they see your logo?

- What differentiates your brand from the competition?

2. ELEVATOR PITCH SCRIPT: PRESENT YOUR STARTUP (WRITTEN TASK)

Objective:

Produce a well-structured, persuasive elevator pitch script (5-10 sentences) to introduce your tech startup to potential investors.

Instructions:

- Write a structured script that highlights your company's strengths and unique features.
- Focus on clarity, persuasion, precision, and professional register.
- Upload your final script as a PDF to Moodle.

Structure Tips:

- Brief greeting and company name introduction.
- Explain your vision and core services/products.
- Highlight what differentiates your startup.
- End with a compelling closing inviting further contact.

Grammar Focus:

- Present Simple and Present Continuous
- Persuasive and formal expressions
- Use of rhetorical devices

Useful Phrases:

- "At (Company Name), our mission is to..."

- "We provide cutting-edge solutions for..."
- "What sets us apart is..."
- "We invite you to join us on this journey."

Elevator Pitch Script:

1. Greeting and Introduction:
2. Company Name and Vision:
3. Core Product/Service:
4. Unique Selling Point:
5. Persuasive Closing:

Assessment Rubric

Company Profile & Elevator Pitch

Criteria	Excellent (10-9)	Good (8-7)	Satisfactory (6-5)	Insufficient (4-0)
Structure, clarity and coherence (4 points)	Presents all information following instructions perfectly. Text is clear, well-organized, and coherent throughout.	Information is mostly complete and organized, though some sections could be clearer or better connected.	Minor sections missing or organization errors that affect understanding.	Multiple sections incomplete or disorganized; lacks clarity, making comprehension difficult.
Advanced grammar and vocabulary (3 points)	Excellent use of Present Simple, Present Perfect, Passive, impersonal structures, and modals. Professional, varied, and precise vocabulary.	Mostly correct use of required grammar structures with minor mistakes. Vocabulary is appropriate but slightly repetitive or simple.	Frequent errors in key grammar structures. Limited or informal vocabulary.	Inadequate use of tenses and structures. Insufficient or incorrect vocabulary for professional register.
Persuasive tone and creativity (2 points)	Highly persuasive text, creative and unique ideas, well adapted to the professional objective.	Generally persuasive text with some creative ideas. Some areas could be stronger.	Attempts persuasion with limited creativity or impact.	Lacks persuasion and originality; fails to attract interest.
Professional presentation (1 point)	Submitted as a professional-looking PDF (Word, Canva, or PowerPoint). Layout is clean and visually appealing.	PDF format respected. Presentation is generally neat but could be more polished.	Format respected but presentation is basic or not very attractive.	Does not follow format or presentation is sloppy or unprofessional.
